3. Risk Assessment

We have carried out an assessment of any potential for harm to a child while availing of our services including the area of online safety when accessing the internet. Below is a list of the areas of risk identified and the list of procedures for managing these risks.

	Risk identified	Procedure in place to manage identified risk
1	Made to feel exposed, uncomfortable when asked to sing/perform in the group	We select facilitators with a track record in working with children
2	Come to harm when in rehearsal situations with large groups of people	We ensure that enough teachers and parents are in place to safeguard the children when in these situations
3	Be groomed / inappropriately approached by our facilitators	All facilitators / artists / musicians who come in regular contact with the children are Garda Vetted. If the contact is incidental or one-off, we ensure that it is in a safe environment with supervision by trained people.

4. Procedures

Our Child Safeguarding Statement has been developed in line with requirements under the Children First Act 2015, *Children First: National Guidance for the Protection and Welfare of Children* (2017), and Tusla's *Child Safeguarding: A Guide for Policy, Procedure and Practice*. In addition to the procedures listed in our risk assessment, the following

procedures support our intention to safeguard children while they are availing of our service:

- Procedure for the management of allegations of abuse or misconduct against workers/volunteers of a child availing of our service
- Procedure for the safe recruitment and selection of workers and volunteers to work with children
- Procedure for provision of and access to child safeguarding training and information, including the identification of the occurrence of harm
- Procedure for the reporting of child protection or welfare concerns to Tusla
